DEAR FRIENDS OF THE VETERANS ATHLETICS !

The unforgettable competitions in several arenas of the Jyväskylä Region were exiting and fair.

On the following pages you will see all the results and you will find the winners. But remember, in these Championships everyone was a winner. The prize might have been a medal, a good feeling, a friendship, a visit to a new place or something else or all of them.

The games are over but the good memories will follow all of us throughout the coming years.

Chairman of the Organizing Committee
